TOP HAT

FIRST DAY OF TOP HAT

HELLO!

You'll be using Top Hat this term.

What is Top Hat? *It's a classroom response system.*

How does it work?

Here are the basics:

your professor asks a question,

and you respond using a phone,

tablet or computer.

TOP HAT

Don't have an account yet?

No worries. After class, just go to tophat.com and Sign Up as a student. Follow the steps to create your account. Just make sure that you create only one: if you've already created a Top Hat account, click Login instead.

TOP HAT

Once you sign up your prof will be able to make class more interactive!

FAQ: How can I improve my connection to Top Hat?

- **Close other apps**

- **Download Top Hat before or after, not during, class**

- **Have only one device connected to wifi at a time**

- **Turn off wifi and use cellular data if necessary**

- **Use the text/SMS option**

support@tophat.com

Your professor is an expert, but when it comes to Top Hat, we're the professionals.

If you have any issues as you use Top Hat let us know and we'll help get it figured out!

THANKS!
